Corporate Partnership

Corporate Partnership with the IRI is available to companies who wish to support the Institute of Refrigeration Ireland.

The Institute greatly values the support of companies active in the Refrigeration Industry, and Corporate Partnership is open to those companies including:

- Contractors
- Wholesalers and Distributors
- Manufacturers
- Consultancies
- End-users

Benefits: A comprehensive Partnership package is available, with the following benefits:

Institute of Refrigeration Ireland Corporate Partner Benefits	
1. Use of IRI Logo:	Use of the special IRI logo on company headed paper and communications to inform your customers of your support of the IRI.
2. Nominated Affiliate Member	Benefits for Partners of IRI; <ul style="list-style-type: none"> • Free attendance at IRI technical seminars and CPD recognition. • Receipt of regular e-mail updates from the Industry. • Full access to the IRI Web Site and all associated technical literature. • Copies of the IRI Newsletter • Affiliate Membership of the Institute of Refrigeration UK, with full access to the IOR Technical Library
3. Representation at all IRI events and Seminars	Corporate Partner companies will be represented/acknowledged at all IRI events including but not limited to seminars, exhibitions and the IRI Dinner.
4. IRI Web Site Presence	Corporate Partners name and logo will be displayed on the IRI Web Site in the dedicated Corporate Partners page. The Corporate Logo will have brief text information about the Partner Company (Supplied by the Partner and edited to suit) and there will be a hyperlink to the sponsors website.
5. IRI Sticker	Corporate Partnership allows the use of a unique IRI/Corporate Sponsor sticker that can be used on Corporate Members service vehicles
6. Corporate Member Certificate	Certificate for framing and display at Corporate Headquarters

Corporate Partnership
